Multi Use Games Areas

2014

In 2014, William Doyle, a Jobsbridge intern attached to Offaly Sports Partnership and working out of the Acorn project(a Garda Youth Diversion project) in Edenderry delivered a range of programmes on the multi use games area in Edenderry.

2013

In 2013, one of the participants from our Community Coaching programme undertook to establish a soccer academy on the multi use games area in Edenderry.

2012

This programme was established to aid in the delivery of sports programmes on the multi use games areas developed / redeveloped by the housing section of Offaly County Council in four local authority housing estates in the county.

In 2012, the Partnership worked with two (Crinkle and Edenderry) of the four local committees to develop programmes for roll out on the multi use games areas.
