

The Ireland Funds

The Ireland Funds have supported non-profit organizations across the island of Ireland working in the areas of Arts and Culture; Community Development; Education, Peace and Reconciliation.

In addition to facilitating a significant number of Donor Advised Grants, The Ireland Funds also operates two competitive grant rounds each year: -

1. The **Small Grant** round supports non-profit and community organizations across the island of Ireland and Northern Ireland. This fund offers grant funding under €10,000 / £10,000 for smaller community organisations and for organizations that have not previously been supported by The Ireland Funds.
2. The **Flagship Grant** round provides multi-annual funding of up to €50,000 / £50,000 for organisations that have established a strong track record of managing grants from The Ireland Funds. This is a highly competitive funding round that targets organisations wishing to pilot new programmes or to scale what has proven successful.

Donor Advised Grants

The majority of grants are made possible through Donor Advised Grants, whereby donors are introduced to projects by The Ireland Funds that match their interests. If your organization has questions about Donor Advised Grants, please contact our Grants Team
